

## HOW TO FIND US

From **Tonyrefail**, take **Penrhiwfer Road** and turn left – opposite the *Penrhiwfer Infants' School* – into **Pleasant View** (from the other direction turn right into Pleasant View).

There is a small terrace of houses on your right.

At the end of the terrace there is a cattle grid into the *House o' the Trees*. Road bears right.

**Bear right. Take care - blind bend.**

You are now on a single track tarmac road. You have a wall on your left, chicken sheds on your right, and you're **going up hill**.

**As the hill levels out** there is a turning on your right to another farm. Ignore it and **keep straight on**.

You now have steep fields to your right, and buildings on your left.

As you approach a left hand bend you leave the buildings behind and are now travelling between two fences.

You will come to a cattle grid with a large ruin on your left. **Go over the cattle grid** and **slow down**. You are now on the farm road which is hardcore, not tarmac.

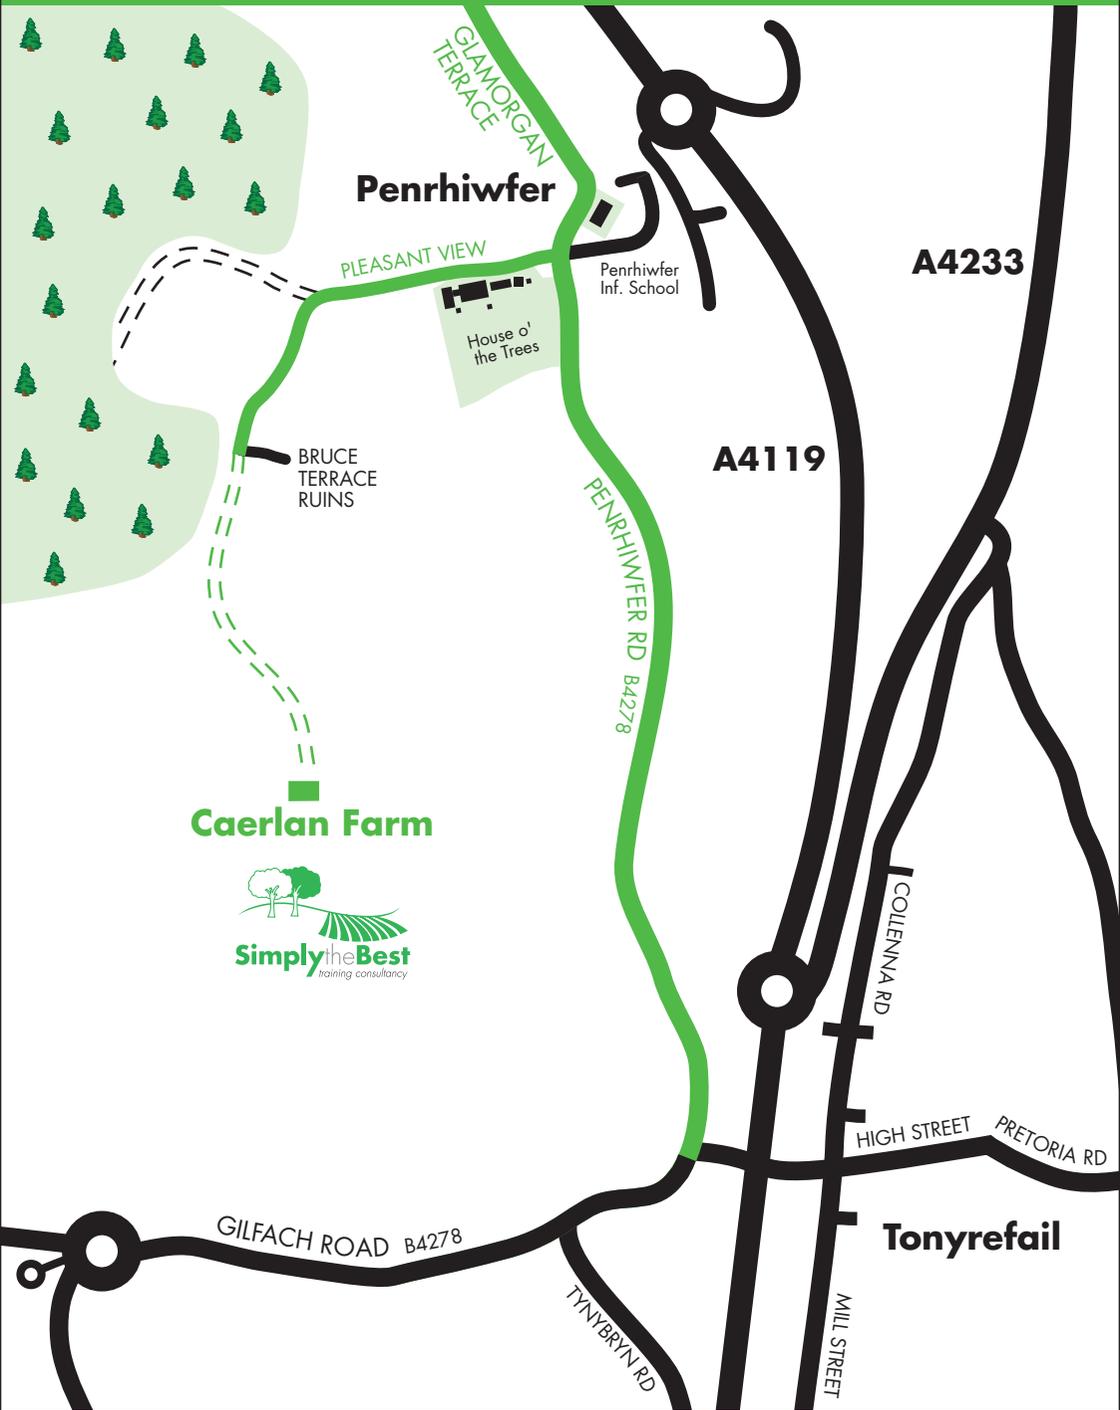

**There is a short rise and then a long straight.** To the left is a feeding area – watch the sheep!

**Go downhill** through two (usually open)\* gateways. You will now **descend into the farmyard**. Only then, will you be able to see the house. **The office is to the far side.**

\*If one or both gates are shut, please close them after you.
