

CALLING ALL YOUNG FARMERS, AND MAMS AND DADS .

- Have you registered for Farming Connect (since Oct 15)
- Started your Personal Development plan yet?
- Will you be at Rally Day?

Simply The Best Training have a stand at rally day, the Farming Connect funding window is open in June, so we will be there to assist you in completing your personal development plans in order to access training.

REGISTERED? Bring your CON number and password with you.

NOT REGISTERED YET? Ring 08456 000813 NOW !
Provide an e mail address for all the family members that will want to apply. (each person has to have a different e mail address). You will receive a CON number and password before rally day, bring them with you.

There is different eligibility now which means that forestry businesses, smallholders with more than 3 ha, and some contractors will now qualify.

We are guessing that most members will be busy all day, but for mams and dads that are chauffeuring, watching, stewarding etc, come and have a chat and get your PDP started.

The June window is the last of the “funding year”. You are allowed 3 courses a year, only one of which can be from machinery section. So you can apply for a machinery course now, and then another in October, which is first window of the next funding year. Don’t miss it !

Simply the Best is sponsoring ATV training for non - farming members of Glamorgan YFC .

We are also running dates for Welfare of Animals in Transit Tests on a weekend- half price to all paid up members, and mams and dads.

ALSO –We will be running a food hygiene course on a weekend after the rally. Open to members, mams and dads etc. Open course. Details on stand.
