

Level 3 Award in Education and Training (QCF) - (601/2295/x)

Qualification Overview

Level 3 Award in Education and Training (QCF)

This qualification replaces the QCF Level 3 Award in Preparing to Teach in the Lifelong Learning Sector and the Level 4 Award in Preparing to Teach in the Lifelong Learning Sector (PTLLS) introduced in 2007 and updated in 2011. Accreditation is by Agored Cymru.

Qualification Target Group

The Level 3 Award in Education and Training provides an introduction to teaching.

It can meet the needs of a range of trainee teachers, such as:

- ◆ individuals not currently teaching or training – achievement of the qualification does not require practice other than microteaching unless units from the Learning and Development suite of qualifications are selected;
- ◆ individuals currently teaching and training (including those who have just begun teaching and training) – although the qualification does not require practice other than microteaching (unless units from the Learning and Development suite of qualifications are selected), opportunities may be made available to observe and provide feedback on a trainee teacher's practice;
- ◆ individuals currently working as assessors who wish to achieve a qualification that provides an introduction to teaching.

Structure and content

There is a minimum requirement for trainee teachers to engage in observed and assessed microteaching for the following optional unit:

Understanding and using inclusive teaching and learning approaches in education and training D/505/0052 (Level 3).

For this unit, trainee must be involved in **at least one hour of microteaching**. Each trainee must deliver at least one 15-minute microteaching session that is observed and assessed by a member of the delivery team. For the additional 45 minutes, trainee teachers can either deliver additional microteaching sessions or observe the microteaching sessions of other trainee teachers.

Trainee teachers who are currently teaching may prefer to use their practice instead of microteaching to meet the requirements of this unit.

The Level 3 unit Understanding roles, responsibilities and relationships in education and training in this qualification is also a mandatory unit in the Level 4 Certificate in Education and Training.

The practicalities

All the qualification information is overleaf. This qualification is recognised as the universal “Train the Trainer” course, as required to become an instructor / trainer with many awarding bodies.

Why Train with us ?

We have particular expertise in workplace and vocational training, in particular, practical skills instruction.

This is why we have dual accredited the qualification with **Lantra awards** Instructional skills for the practical skills instructor. You receive both certificates. If you intend to become a Lantra awards instructor, this can be particularly helpful as we are very familiar with Lantra awards delivery.

Simply the Best specialises in training delivery, Creo skills specialises in Assessor award delivery.

We recognise that Instructors, or potential instructors from industry will require flexibility of delivery .

Our delivery is over 4-5 days, depending on whether you have done, or will be doing your assessor award. On our open course programme we like to run small cohorts of 4-8. We are happy to run the course as local to delegates as possible, and find that everyone has preferences from 1 day a week over 4-5 weeks, or a 1 week intensive course, or 2 lots of 2 consecutive days etc. We are happy to discuss your requirements and preferences. We offer a price per person of £695 plus vat per person.

We also find that when the course is to be held one day a week or so over a time frame , we prefer to just agree day 1 with the delegates, and on day 1, we sit down with diaries and agree the rest of days to suit the group.

We are also able to provide cohorts direct to companies, and then would be able to quote you a specific course price rather than a per person price, depending on numbers and travel. Please call us
