**Previous client? Done all the “useful” courses?**  
 With an eye to the future, why not consider a qualification?

**Level 2 award in Safe Working in Agriculture and Production Horticulture.**

Yes, we know it sounds boring, BUT it is focused on farming, and it is practical, **delivered by Farmers**. It is not a lecture taken straight off a health and safety poster, it looks at real issues that face us as Farmers, and can help with dealing with inspections, complying with legislation, and professionalising your farm operations. The training is customised to issues real to Welsh Family Livestock Farms, and, because it is a **qualification**, counts as **CPD—Continuing Professional Development**.

Can be used on a CV— **CAN BE DONE BY ANYONE OVER 16**— so great for the kids if looking to go to college part time or full time, or looking to work in the industry. The course is 1 day in length, and at the end you take a multiple choice question paper, which when passed gives you the qualification.

We are running this **PAN WALES** as face to face training, so there will be opportunities in 2022 to attend **local sessions**.

We are also looking at providing this via zoom, but not finalised yet. We have further details on a separate flyer— please ask .

**Cost £285—80 % FUNDED—You pay £57.**

**MOLE TRAPPING –ON FARM—HALF DAY -PAN WALES**

If there are 2 of you (ask a neighbour?) on one farm, we can run it at your farm for just you. Only £95 pp, with **80 % funding** you pay £19 plus vat.
