

Accredited Training Programme – Application Process – Application Form

Step 2: Submit an Application for Funded Training:

- Application form will be open at all times on Business Wales / BOSS website.
- An online application form. This is a quick and straightforward process.
- People need to make sure they check the course title, content and costs with their chosen provider.
- They will be notified via their FC registered email.
- They will need to complete the training course within 9 months.
- If anyone applies for a machinery and equipment course they will need to complete a mandatory health and safety e learning (available via BOSS) Please note mandatory additional e- learning modules will be added at a later stage.
