

Accredited Training Programme – Application Process – Client Support

Client support:

- User guide available via the FC website which will be updated in readiness for application page opening in May. [How to apply for a funded training course | Farming Connect \(gov.wales\)](#)
- Network of 19 Development Officers based throughout Wales and available to guide FC clients through the application process.
- Please make contact with your local development officer – they have a wealth of information and are there to help the FC client get the most from the whole Programme. [Your Local Development Officer | Farming Connect \(gov.wales\)](#)
