

# Accredited Training Programme – Application Process - Registration

- To apply for an accredited training course or complete a PDP ( necessary for all LOT 2 support ) an individual will need to register with the Farming Connect Programme – for the latest eligibility please contact the Farming Connect Service Centre on 03456 000 813.
- People can register on line <https://businesswales.gov.wales/farmingconnect/farming-connect-registration>
- Even if the business is registered each individual wanting to apply for funding through that business will need to register in their own right using an individual email address.
- Once registered the Service Centre will then email the individual to inform them that their account has been set up on the Business Wales BOSS website ( people must not access this website until they have had their confirmation email from the Service Centre ) If they do they will be directed to the Business Wales website and not the Farming Connect designated pages.
- Once registered a business is allocated a unique BAS number and each individual is allocated an individual CON ( contact number ).
