THE BASICS- FOR RETURNING CUSTOMERS.

- The new programme-everyone under & over 40 can apply for **3 courses in a year**. Only one of these can be machinery equipment.
- You can apply **ANYTIME after May 15TH 2023**. The **application window is now permanently available**. If you apply in May, you will be informed approx. mid- June. Apply in June and you will hear mid-July and so on. You have 9 months to complete the training you applied for.
- If you applied for a course in the previous programme, and for whatever reason- covid etc you didn't do it, you can re-apply now- clean slate policy.

HOW SIMPLY THE BEST PLAN TO RUN THIS

USUAL VENUES FOR:
BUSINESS COURSES/RODENTS & HEALTH & SAFETY

- We intend to publish a timetable of courses/and where we run them. These dates will be available to the 19 FC development officers- so you can now apply for a date & venue in mind.
- **Business courses, H and S, Rodents and moles are available pan Wales – see map.**

WANT TO KNOW MORE ABOUT WHAT EACH COURSE COVERS?

- We have produced a series of info sheets on each course- they are on the website- www.simplythebesttc.co.uk or email us and we will send them to you.

APPLICATION PROCEDURE – we can assist if needed.

<https://businesswales.gov.wales/farmingconnect> **AT top- button Log in to BOSS**

- Sign on Cymru box -enter email (the one registered with FC) and password to Access your PDP

Note- if you want to update to a current e mail ring 08456 000813 now

- Add a goal for the course you want to do. It is a good idea to name the course / courses required in the details of the goal. The goal can be one sentence, best to have 5 or more sentences in the description, answering why you need to do this.
- As soon as PDP is updated, then apply straight away.

When on PDP, copy your goal description, and then you can paste into the application form.

The application form requires the **full price** ex vat. We have a price list available, and is also available to your local development officer.

FIND YOUR DEVELOPMENT OFFICER -

Quick summary of what STB offer.

Mole trapping and Rodent control ALL business courses and Health and safety pan Wales.

Pesticides- only at STB, South East Wales, only 1 course quarterly. It is a 2.5 day commitment.

Vet technical courses- not running for first 6 months of programme.

Woodland management for Conservation- zoom sessions run monthly. Occasionally F2F only at STB.

ATV – at STB only, can be weekends.

Brushcutters and woodchippers are NEW

New to Farming connect?

REGISTER YOUR BUSINESS – MIN 3 HA TO BE ELIGIBLE.

RING SERVICE CENTRE **08456 000813** – covers farming family- needs a different e mail for each person.

Lots of services you can access- funded training is only one aspect, see website <https://businesswales.gov.wales/farmingconnect>

From Julie, Geoff and team.
